

Heavy Duty Cleaner & Degreaser

Product Description

Heavy Duty Cleaner & Degreaser is a highly saturated, mildly alkaline liquid multipurpose cleaner-degreaser, designed to be used in food service industrial areas, for indoor and outdoor applications.

Heavy Duty Cleaner & Degreaser is very effective in indoor kitchen work areas providing exceptional cleaning/ degreasing of vent hoods, wall surfaces, appliance exteriors, deep fryer tanks as well as in outdoor cleaning of concrete pavement of parking lots, drive thru pads, and entranceways.

Heavy Duty Cleaner & Degreaser is sprayed or poured on soiled surfaces.

Physical characteristics

Appearance: Clear Purple Liquid

pH range: 12.5 – 12.9

Odor: Mild Fragrance
